## Septic Pumping Special Offer!!!

Did you know if your septic system fails, replacement costs are over \$15,000?

It can also lower property value and be subject to legal liability.

The EPA recommends an inspection and pump out every three years. Spanky's can help extend the life of your septic system.

Don't wait until you can see or smell a problem, damage might already be done!

### Septic Cloggers!

Diapers, cat litter, cigarettes, coffee grounds, grease, feminine hygiene products, etc.

### Septic Killers!

Household chemicals, gasoline, oil, pesticides, antifreeze, paint, etc.
