Dear Sir,

I am writing to commend the professionalism and outstanding customer service displayed by one of your employees: Ms. Cynthia De La Torre.

The San Diego Cyclo-Vets, a masters bicycle racing club, promotes a three-day bicycle racing event called the Omnium. Ms. De La Torre was the Spanky's Special Event Coordinator with whom worked the Omnium Committee worked to ensure that portable restrooms were at each of the three event venues. She was unfailingly helpful in providing the committee the information needed to determine the contract requirements. Additionally, she was always cheerful and even mindful to ask if there was anything else she could do for us.

Spanky's Portable Services should be proud to have an employee like Cynthia De La Torre.

Sincerely,

  
Buzz Burnett  
President
