Apple Valley, CA 92307

Dear Spanky's:

We would like to thank Spanky's and your representative here in Lucerne Valley for a great kindness provided for The Chamber of Commerce and the citizens of Lucerne Valley.

A couple of weeks ago, our water company had to shut off the water to the entire downtown Lucerne Valley business district to make major repairs, leaving no working toilets for a day. Lorane Abercrombie ran into your representative and when he heard of our problem, he set us up with two portable potties for the community's use on that day as a courtesy, without charge. He saved the day!

It is a pleasure doing business with Spanky's and the terrific people working for you on a regular basis and even a greater pleasure to know that you appreciated us enough to help out in an emergency.

Thank you again for your kindness,

Sincerely,  
Lorane Abercrombie, President
